RELEASE

**TWIN CITIES ORTHOPEDICS NAMED “THE OFFICIAL  
ORTHOPEDICS PROVIDER OF THE MINNESOTA VIKINGS”**

**Eden Prairie, MN (September 14, 2015)** – Twin Cities Orthopedics (TCO) will serve as the “Official Orthopedics Provider of the Minnesota Vikings” and a partner at U.S. Bank Stadium.

“I am honored and privileged to have the opportunity to provide the official orthopedic team physician coverage along with Drs. Greg Lervick, Chris Coetzee, and Twin Cities Orthopedics,” **TCO Orthopedic Surgeon Chris Larson** said. “This reflects the top notch sports medicine and orthopedic care provided by all of us at Twin Cities Orthopedics and we should be proud of this accomplishment. Go Vikings and go Twin Cities Orthopedics!”

“Twin Cities Orthopedics has a stellar reputation within the community for helping athletes of all ages and types,” said Executive Vice President and Chief Marketing Officer Steve LaCroix. “We value this partnership as both the Vikings and TCO continue to grow in the Minneapolis-St. Paul community.”

In addition to being the Official Orthopedic Provider for the team, Twin Cities Orthopedics will be the continued sponsor of the TCO Vikings 5K race held every year at Winter Park in Eden Prairie as well as receive in-stadium exposure via the LED boards that will line the seating bowl at U.S. Bank Stadium, set to open in July 2016 and radio exposure on the Vikings Entertainment Network as the sponsor of the “Medical Minute”

**About Twin Cities Orthopedics**

*Twin Cities Orthopedics is an all-inclusive orthopedic, sports medicine and wellness provider. For over 70 years TCO has proudly offered a full spectrum of orthopedic care devoted to the diagnosis, treatment, rehabilitation and prevention of injuries and conditions that affect the body’s muscles, joints and bones.*

*Our integrated team of more than 100 orthopedic physicians alongside their support teams, strives to provide superior quality care for individuals of all ages and abilities. Our world-class services and state of the art facilities provide support ranging from injury prevention, diagnosis and treatment, to rehabilitation and recovery, as well as immediate care. Additional services span from imaging, outpatient care, orthotics and prosthetics to custom research based sports performance programs. With clinics located throughout the Twin Cities & western WI, visiting one of our 35+ TCO locations is extremely convenient. Visit [TCOmn.com](http://TCOmn.com) to learn more.*
