INSTRUCTIONS DAY OF SURGERY

- If recommended by your surgeon or your primary physician, certain oral medications may be taken with a sip of water the morning of your surgery.
- Shower or bathe the day of surgery using an antibacterial soap, giving your surgical site a five-minute scrub if able. After you have showered or bathed do not use any hand or body lotion or alcohol-based hair products. Please do not wear any make-up or nail polish the day of surgery.
- Wear loose fitting, comfortable clothing that you will be able to easily take on and off and can fit over your bandage.
- Please wear your hearing aid(s).
- If you wear glasses or have contacts, please bring your case.
- Leave jewelry and valuables at home, including all body piercings.
- Rings must be removed for all hand/arm/shoulder surgery.
- Cell Phones are recommended for communicating with your caregiver and to use while waiting in clinical areas.
- You may brush your teeth the morning of surgery.

LIMITING VISITORS

- **Limiting Visitors** – Patients can have **one person** in attendance while at the facility. **No other exceptions are allowed.** If a caregiver will not be in attendance, patients will be asked for a phone number to contact your caregiver. We will utilize this phone number to contact your caregiver after your procedure and review discharge instructions. The physician may also contact your caregiver after the procedure.

CHECK IN

- Provide your insurance card and photo I.D.

YOUR RECOVERY

- After surgery you will be taken to a post anesthesia care area for observation and recovery.
- Home instructions, verbal and written, will be given to you and your caregiver prior to your discharge.
- **Prescriptions will need to be filled at a pharmacy of your choice.**
- You will receive a follow up call the next business day to see how you are recovering.
A message will be left if we are unable to contact you. Please contact us at **651.702.7417** if you have any questions.

FOR CHILDREN

If you wish to visit our facility for a tour before surgery, please call 651.702.7417 to set up an appointment.

- Only **ONE** parent is allowed to wait in the waiting area during surgery, this is required for ALL children under the age of 18 in case the medical team needs to contact you. When the surgery is complete the surgeon will meet with you to discuss your child's procedure.
- Bring any comfort items for your child (blanket, toy, pacifier, etc.).
- Bring an empty bottle or sippy cup for after surgery.
