Please be sure to complete all requested information including how you would like your Statement of Credit to read.

https://revohealth.zoom.us/webinar/register/WN_mT-kYVK2SY6MWRJ7yVmj2w

After registering, you can copy the link and save that URL to sign in for the event in your calendar.
This will also serve as your attendance tracking for continuing education credit.

Chad Krawiec, MS, LAT, ATC

Learning Objectives

- Identify the different components of care and training that should be considered for the rehab of the elite athlete.
- Discuss how to implement strategies for integrating multidisciplinary providers to collectively meet the needs of the athlete.
- Identify ways to apply high performance concepts and philosophy to any patient.
- Demonstrate how a return to sport training program can be used to address multiple needs and integrate other practitioners.

FAQ

How many CME will I receive?

1.0 CME or CEU. See below for specific messaging.

Registration:

You will be asked for your name and email address upon entering the Zoom Webinar. This will act as registration and attendance tracking.

To access any previous recordings or handouts:

Link: <https://tcomn.com/continuing-education/>

Note that any recordings are not applicable for CE credit, only the live event qualifies.

Contact information:

Please contact TCOCME@TCOmn.com if you have any questions regarding the Virtual Rounds.

Cost and cancellation:

This is a free event; therefore, no refunds or cancellation policy will be necessary.

Physical Therapists: This course was approved for 1.0 credits under continuing education credit approval of 5601.2400, subpart 2 for other educational activities (MN Board of PT Approval # 5400).

Athletic Trainers: Twin Cities Orthopedics (BOC AP#: P8588) is approved by the Board of Certification, Inc. to provide continuing education to Certified Athletic Trainers. This program is eligible for a maximum of 1.0 hours of Category A hours/CEU's. ATs should claim only those hours actually spent in the educational program.
