

TWIN CITIES ORTHOPEDICS VIRTUAL ROUNDS

Twin Cities Orthopedics is proud to offer monthly one-hour educational presentations to further develop your physical therapy and athletic training teams. Topics range from sport specific discussions, tips for patient interaction, and integrating research into practice. Each one-hour live webinar will be presented by a highly knowledgeable specialist within their field, and will offer you one credit of continuing education through either the Minnesota Board of Physical Therapy or the Board of Certification for athletic trainers. If you become a member of our TCO Virtual Rounds community, you will also have access to view previous webinar recordings for your educational benefit.

VIRTUAL ROUNDS OBJECTIVES

- Improve specialized evaluation and recognition skills in a wide range of topics
- Learn to utilize both current and new best practices in Physical Therapy clinics
- Design rehabilitation programming and prescriptions

To enroll members of your organization in these high-quality presentations, or to inquire further information, please contact TCOCME@TCOmn.com.

Pre-recorded classes are not available for CEU.

FAQ

Q: Where is the event held?

A: All courses will be Zoom Webinars.

Q: How do I register?

A: Register through the URL link provided in the email invitation or on our website at TCOmn.com/continuing-education. Once registered, you will receive the webinar URL link.

Q: Can I get Continuing Education Credit for these events?

A: Yes! Accreditation is obtained through the Minnesota Board of Physical Therapy and the Board of Certification (athletic trainers) for all live webinars of one hour of credit for each hour of learning. Please confirm with your state board if you do not report to one of these two bodies. Please see the email invitations for accreditation details.

Q: Can I watch a recording of the event another time?

A: Once you are in the program, we will have a webpage for you to visit to view recordings, however the recordings are NOT eligible for Continuing Education Credit.

Q: Any other questions?

A: Please email TCOCME@TCOmn.com.

Minnesota Board of Physical Therapy will review and accredit each course on an individual basis for approval. The courses are being submitted to be accredited for the credit standards of part 5601.2500 and credit approval of 5601.2400, subpart 2 for other educational activities.

Twin Cities Orthopedics (BOC AP#P8588) is approved by the Board of Certification, Inc. to provide continuing education to Certified Athletic Trainers. This program is eligible for a maximum of 1.0 hours of Category A hours/CEU's. ATs should claim only those hours actually spent in the educational program.
